## FIXING HIS FENCES

#### One Candidate For Commonwealth's Attorney In the City Yesterday

Mr. Joseph D. Pumphrey, the Democratic oandidate for Commonwealth's Attorney from Fleming county, accompanied by Attorney William Hussey, was in the city yesterday consulting with friends in regard to the candidacy of the former.

The old Democratic ship is having a strenuous time in maintaining her equilibrium in the tempeatuous political sea in this District in which the old hulk is now being tossed.

It matters little whether it be Pumphrey or Hennessey that heads the Democratic ticket his fall. All the Republicans have to do is to nominate a good man for the place and he will be elected by an overwhelming majority.

DAILT-EXCEPT SUNDAY, FOURTH OF JULY, THANKSRIVING, AND CHRISTMAS.

OFFICE-PUBLIC LEDGER BUILDING, MAYSVILLE, EY.

SUBSCRIPTIONS-BY MAIL Six Months DELIVERED BY CARRIER. Payar, to Collector at end of Month.

THE "rank and file" of the Chicago teamsters, the men who really feel the force of the strike-are about to oust Mister Shea. President of the Trouble.

THE Fourth of July campaign opened all right at Covington Wednesday. A small boy, a brick and a torpedo had an inning. It was hard for the Coroner to tell which was the most thoroughly "scattered," the torpedo or the boy.

Ar a meeting of the Central Labor Council, held in Cincinnati, a committee was appointed to wait upon the Board of Education and protest against the introduction of manual training into the Public Schools of that city. The members of the Council express fear that the manual training system will result in boy craftsmen, who will replace the older ones in the shops and at lower wages. With the restrictions that so-called Labor Unions have placed upon the introduction of apprenticeinto the various trades, and the demand now made that the Public Schools be closed against young men who desire to learn mechanics, the arrogant Labor Trust will entirely eliminate skilled workmen in a few years. Indeed, time was when a Card of Membership in a Typographical Union was a certificate of competeney; it is now simply a notification that the employer must pay a stipulated sum per week. generally to a "botch" who couldn't hold a job on a country paper in a small pica town.

This little sermon to parents is from The Boston Transcript-

His last triumph is a dispatch to The Times-Star telling of the destruction by storms of the rice erop in Bath county. Just think of rice growing on the big hills around Owingsville!

The question of Chinese exclusion from the United States continues chiefly to occupy the attention of the Chinese. A dispatch from Pekin says the depth of feeling manifested astonishes foreigners, and is regarded as an evidence of the growth of a National sentiment of public spirit which five years ago would have been inconceivable. Among many instances cited as evidence of this, it is said that a Chinese comprador has refused a lucrative appointment with an American company. Advertisements of American goods continue to be refused by the native newspapers, and letters and telegrams from all parts of China, as well as from abroad, are being received orging the Central Government to take a firm stand. in the meantime. American mandiacturers are suffering from the boycott of American goods: and when American manufacturers are compelled to shut up their factories from lack of orders, then the "pinch" will begin to be felt by American workingmen.

## Sleep impossible with scratching Eczema diseased

Read what this Indianapolis man says and believe that this is more than medicine talk.

Indianiapolis, Ind., May 23, 1904.

About two years ago I had a bad case of eczema on my hands, which later broke out on my feet and ankies. Nobody knows what I suffered as I lay awake at right trying to devise some way to keep from scratching the diseased places.

I tried physicians, but got little or no relief. I stried patent remedies with like results. I began to feel it was almost incurable, when I was induced to try a bottle of D. D. D. The effect of the first application was worth many times the price of one bottle. I continued using D. D. for six weeks and I was completely cured.

I have never had any signs of recurrence of the disease. 1401 Orange Street. HENRY MITCHELL.

#### STRENUOUS JOURNEY

Recent Marriage of Miss Maude Willis to Chas. Throckmorton

The Dover News says Charles Throckmorton of Mt. Olivet and his bride, who was Miss Maud Willis of Quincy, arrived in Covington Friday, and sent telegrams to their parents telling that they had been married under difficulties of a strennous nature.

Miss Willis is a daughter of a Methodist Minister, who objected to the match. Some time aga she secured employment in a millinery store at Maysville, where she met Throckmorton, who was her sweetheart in their younger days. Her father learned of their engagement and sent ber a telegram ordering her to come home.

Instead she met her sweetheart, crossed the river to Aberdeen and drove with him to Ripley in a blinding rain. Unable to secure a license there they went to Georgetown where the nuptial knot was tied. They went from there to visit relatives at Covington.

## A UNIQUE RECORD

Not Another Like It In Our Broad Re-

To give positive home testimony in every locality is of itself unanswershie proof, of merit; but when we add to this the continued indorsement from people who testified years ago no evidence can be stronger. A Mayayille citizen gratefully acknowledges the good received from Doan's Kidney Pills, and when time has tested the cure we find the same hearty indorsement, with added enthusiasm and coatinued praise. Cases of this kind are plentiful in the work of Doan's Kidney Pills, and such a record is unique in the annals of medicine. A. W. McClanahan, of A. W. & B. P. Mc-Clanahan, grocers, at 121 Second street, Maynville, Ky., says:

"I can indorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me more or less for twenty years and seemed to be growing worse and worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire. I got the remedy at J. Jas. Wood & Son's Drugstore."
